PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

This has been an exciting year at Lochart Schools. Our students showed improvement academically and artistically. They engaged in a number of service learning activities such as Relay for Life, March of Dimes and the Salvation Army Food Drive as well as other community projects. Among our accomplishments are:

- * 22% of the students in 3rd - 5th grade earned the Superintendent's Honor Roll;
- * 85% if the students participated in at least one service learning activity;
- * 75% of students participated in two musical programs and the Arts Festival;
- * Participation in the Governor's Reading Honor Roll;
- * 30% of the students in grades 6 - 8 participated in the Reading or Math PACT After-school program;

The teachers worked very hard this year to promote a strong home-school relationship. They sent home a weekly syllabus that listed the SC Standards, lessons taught, scheduled tests and homework assignments. An Internet web page was designed to inform parents of the staff, programs, test results, events and links to testing information, research and state national educational agencies. The staff, School Improvement Council and the Schools of Promise Committee completed a five-year school renewal plan. Lochart Schools were selected as a Schools of Promise Flagship Winner.

The Teacher of the Year representing the elementary level was Stephanie Hatachell, Media Specialist. She is credited with improving media center technology, creating the web page and increasing the library book circulation. Mark Inman, math teacher, was selected as the Teacher of the Year for the secondary level. He was recognized for his dedication and creative way to teach math. His "every minute counts" philosophy helped students win \$10,000 award for the second largest SAT increase in the state.

We are very proud that all of our classrooms have computers, printers and are connected to the Internet. All teachers are computer literate. Lochart Schools offers every child a place to be special.
